About Us

Pivot Integrated Energy Limited is an indigenous oil and gas company established in 2017, with a core focus on the trading, supply, distribution, and logistics of refined petroleum products across global markets, with its operational base in West Africa and international trade operations in London, Ghana, Tanzania, and Dubai.

The Company operates across the downstream energy value chain, supplying high-quality petroleum products including Gasoline, Gasoil, and Base Oils. With a strong operational footprint in Nigeria and strategically positioned international offices, Pivot Integrated Energy is well-positioned to deliver reliable, seamless, and efficient energy solutions to a diverse client base.

Our operations are guided by strong corporate governance principles, disciplined financial management, operational excellence, and long-standing relationships with reputable global trading partners.

Vision, Mission & Core Values

OUR VISION

To become the leading integrated energy solutions provider in Sub-Saharan Africa.

OUR MISSION

To provide affordable, high-quality, and sustainable energy solutions that improve lives, support economic growth, and create lasting value for households, businesses, and industries across Africa.

Core Values

I · H · I · S · Q

Integrity

Upholding ethical standards and professionalism in all engagements.

Honesty

Maintaining transparency, accountability, and trust in our business practices.

Impact

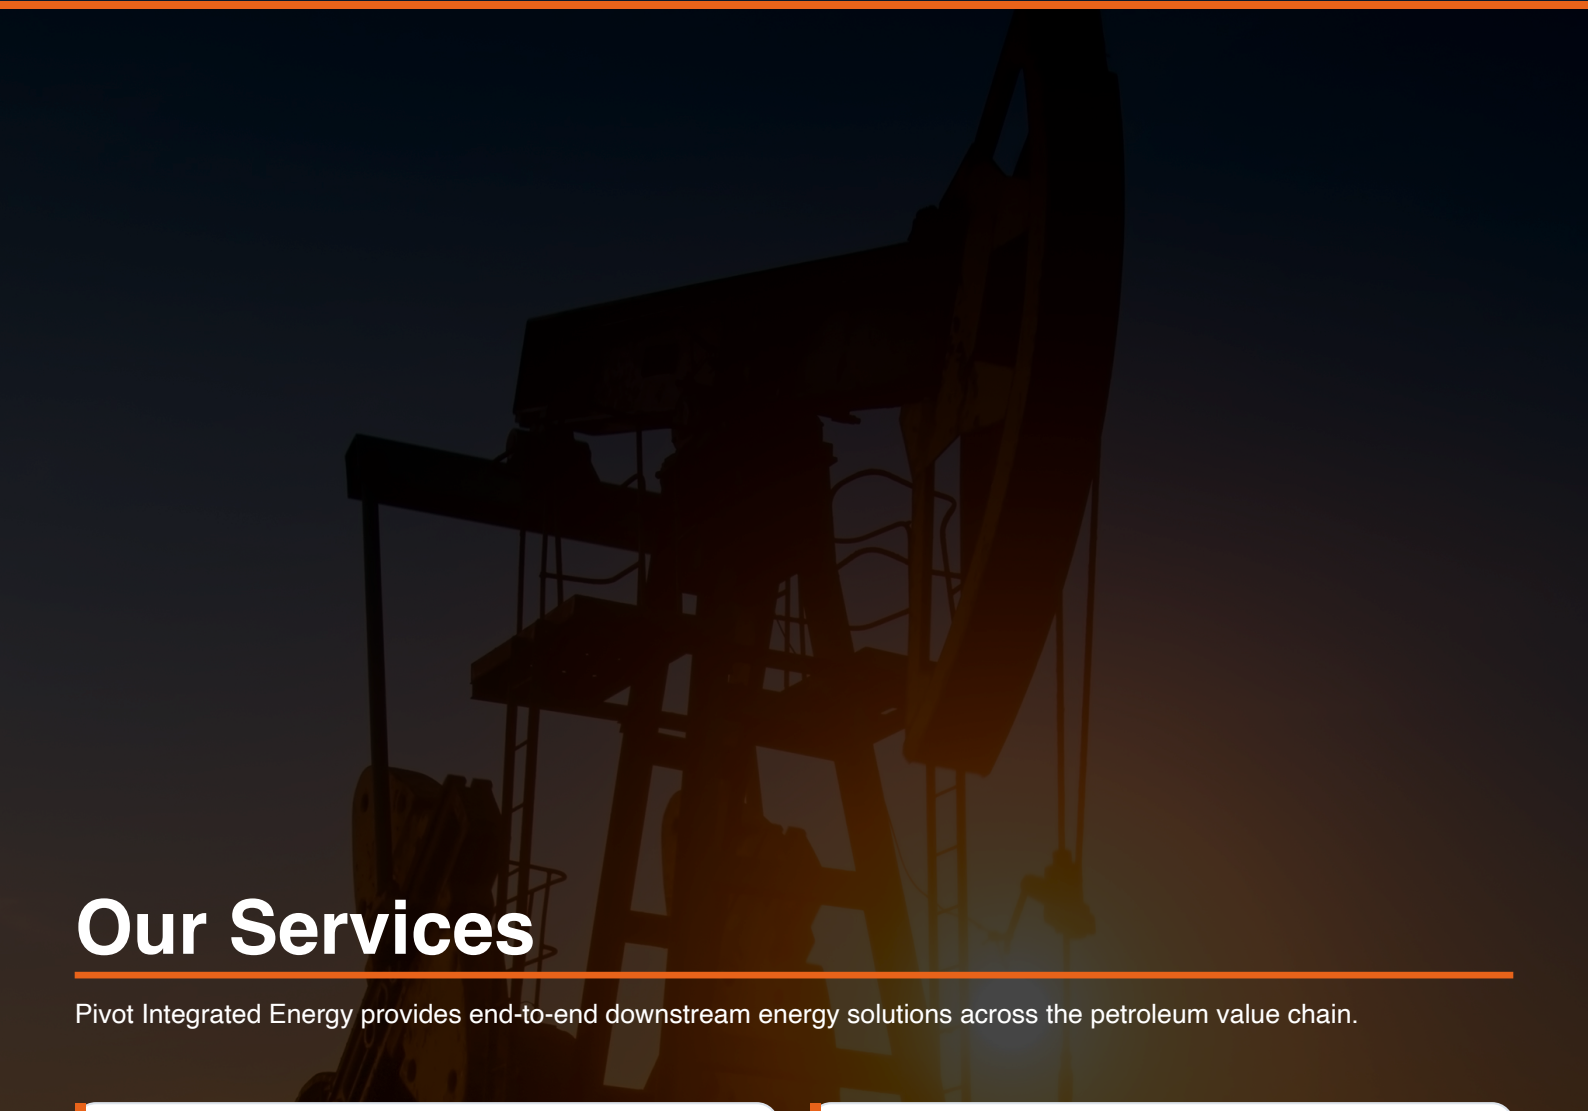

Delivering solutions that create measurable value and sustainable growth.

Service

Prioritising customer satisfaction and stakeholder excellence.

Quality

Maintaining high operational and product standards across all business activities.

Our Services

Pivot Integrated Energy provides end-to-end downstream energy solutions across the petroleum value chain.

Petroleum Products Trading

Local and international trading of Gasoline, Gasoil, and Base Oils across strategic markets worldwide.

Supply

Structured importation and sourcing of refined petroleum products to meet evolving market demand efficiently and reliably.

Distribution & Logistics

Efficient product distribution across retail, commercial, and industrial sectors through a robust logistics and operational network.

Storage Infrastructure

Strategic storage capabilities supporting bulk product handling, operational efficiency, and supply reliability across key locations.

PRODUCT PORTFOLIO

Gasoline (PMS) | Gasoil (AGO) | Base Oils

Storage Infrastructure & Product Volumes

Pivot Integrated Energy operates strategically located storage infrastructure across Nigeria, Tanzania, and Dubai to support operational efficiency, supply reliability, and large-scale product distribution.
